Want results? We've designed breakfast, lunch and dinner for five (5) or seven (7) days for calorie-controlled meals every day. Menu 2 is available every other week. Calorie and nutritional columns pertain to our meals' totals for the day.

Please refer to your professional health provider to design a meal plan tailored to your individual needs. Nutritional breakdowns provided by ActivEats are not meant to be scientifically accurate but are meant to be a general guide to the contents of the meal, and can vary based on small changes in serving size, or the proportion of ingredients used (for dishes that contain a mix of ingredients). ActivEats is not responsible for ensuring that the nutritional information is identical for every meal served. Customers can use this information generally for their own purposes.

Day 5 plans consist of the same menu, minus Days 6 and 7. Enjoy up to 2 weeks non-repetitive entrees. Preservative, additive, chemical and colour-free. Made with sunflower oil, sea salt, and low sodium levels. Sauces used are gluten-free. Meals are never frozen and can be kept in the refrigerator for up to 10 days.
